SOAR
CAREERS

Reach hire.

About the Workshops

Our workshops, Mind over Matters and Career Quest, are here to give you the tools to get you and your brain ready for all things that may come your way when you step into the workforce, want to start a new career, or you're just wanting to brush up on your resume.

Join us in learning how to increase your confidence, talk "tough stuff" with employers, and how to set and achieve your goals.
